Specific Conditions:

1. (a) On receiving a claim, if legal representation is necessary, DAS will appoint a **preferred law firm** or in-house lawyer as the **insured person's appointed representative** to deal with the **insured person's** claim. They will try to settle an **insured person's** claim by negotiation without having to go to court.
(b) If the appointed **preferred law firm** or DAS' in-house lawyer cannot negotiate settlement of the **insured person's** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the **insured person** may choose a law firm to act as the Appointed Representative.
(c) If the **insured person** chooses a law firm as their Appointed Representative who is not a **preferred law firm**, DAS will give the **insured person's** choice of law firm the opportunity to act on the same terms as a **preferred law firm**. However if they refuse to act on this basis, the most DAS will pay is the amount DAS would have paid if they had agreed to the **DAS standard terms of appointment**.
(d) The **appointed representative** must co-operate with DAS at all times and must keep DAS up to date with the progress of the claim.
2. (a) An **insured person** must co-operate fully with DAS and the **appointed representative**.

(b) If an **insured person** does not accept a reasonable offer to settle a claim, DAS may refuse to pay further legal costs.
(c) DAS may decide to pay an **insured person** the reasonable value of the **insured person's** claim, instead of starting or continuing legal action. In these circumstances an **insured person** must allow DAS to take over and pursue or settle any claim on behalf of an **insured person**. An **insured person** must also allow DAS to pursue at their own expense and for their own benefit, any claim for compensation against any other person and an **insured person** must give DAS all the information and help DAS need to do so.

- (d) Where a settlement is made on a without-costs basis DAS will decide what proportion of that settlement will be regarded as **costs and expenses** and payable to DAS.
4. (a) An **insured person** must instruct the **appointed representative** to have legal costs taxed, assessed or audited if DAS ask for this.
 - (b) An **insured person** must take every step to recover **costs and expenses** and court attendance and jury service expenses that DAS have to pay and must pay DAS any amounts that are recovered.
 5. If the **appointed representative** refuses to continue acting for an **insured person** with good reason, or if an **insured person** dismisses the **appointed representative** without good reason, the cover DAS provide will end immediately, unless DAS agree to appoint another **appointed representative**.
 6. If an **insured person** settles or withdraws a claim without DAS' agreement, or does not give suitable instructions to the **appointed representative**, DAS can withdraw cover and will be entitled to reclaim from an **insured person** any **costs and expenses** DAS has paid.
 7. If there is a disagreement between an **insured person** and DAS about the handling of a claim and it is not resolved through DAS' internal complaints procedure, an **insured person** can contact the Financial Ombudsman Service for help. For all other types of disputes there is a separate arbitration process. The arbitrator will be a barrister chosen jointly by DAS and an **insured person**. If there is a disagreement over the choice of arbitrator, DAS will ask the Chartered Institute of Arbitrators to decide.
 8. DAS may require an **insured person** to get, at the **insured person's** expense, an opinion from an expert that DAS considers appropriate on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by DAS and the cost agreed in writing between the **insured person** and DAS. Subject to this, DAS will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the **insured person** will recover damages (or obtain any other legal remedy that DAS have agreed to) or make a successful defence.
 9. An **insured person** must:-

 - (b) take reasonable steps to avoid and prevent claims
