(STYLISH & COMFORTABLE VILLAS WITH POOLS)

- high-quality modern houses with private pool
- suit children of all ages
- full use of 5-star hotel's facilities
- 7 days' car hire included
- welcome hamper

These stylish villas boast everything you could possibly want from a relaxing family holiday: a fantastic

location close to an idyllic bay, a very high

level of comfort, full use of the first-rate facilities of the neighbouring deluxe-category Istron Bay Hotel (including its own sandy beach), as well as a private pool. The villas sleep 2, 4 or 6 people (1, 2 or 3 bedrooms), and you can request an extra bed for either a bedroom or the open-plan living room at no extra cost.

If you can bear to leave such idyllic surroundings, there is no shortage of places to visit or things to do. For a touch of culture, a short drive along the coast will bring you to Gournia, the best preserved Minoan site on Crete, while the unmissable Minoan palace at Knossos is only an hour's

drive away. There are plenty of natural attractions, too, and the island's interior rewards walkers with spectacular views and varied wildlife. The owner, Adonis Panayiatopoulos, will be happy to advise on routes, and hiring bikes to explore on two wheels is another option. If you wish, you can take a trip along the coast on the miniature 'Happy Train' for views of the deserted island of Spinalonga, and we also recommend a visit to the

Cretaquarium - the largest marine research complex in the Mediterranean which is also home to a fascinating, interactive visitor area.

You can dine at the hotel, which is renowned for its Cretan and Mediterranean cuisine, taking your pick of

its two restaurants. Take breakfast there, too, or simply use the room-service facility to get a snack delivered to your villa. The owner and his family are always on hand should you need them - they keep a stock of supplies in case you run out of anything and even rent DVDs. Katy, Adonis's wife, offers a home-made catering service and she will bake you a traditional cheese pie, or anything on request, to pop in your freezer to be enjoyed whenever the mood takes you.
